

Acquisition for Ben-Mor

Winnipeg, October 1st, 2017

Ben-Mor is proud to announce their newest acquisition of two leading companies in the rigging and lifting industry. The acquisition of *Saturn Industries Ltd.* and *Roughrider Rigging* became official as of September 30th, 2017. The acquisition of these two companies will allow Ben-Mor to expand its range of specialized lifting equipment with exclusive products.

Saturn Industries is located in Winnipeg and *Roughrider Rigging* is located in Regina and Saskatoon. *Saturn Industries* is also specialized in the manufacturing of custom trailers. There are 50 employees overall for the two companies.

Together, it will be business as usual; both companies will continue to operate independently. They will continue to provide excellent customer service that they have ensured over the past 40 years.

In the welcoming of this acquisition; Ben-Mor still upholds its position of being the largest sling and cable assembly manufacturer in Canada. There are now more than 325 employees at the heart of Ben-Mor's success and 9 locations in North America.
